

ABOUT BIG BROTHERS BIG SISTERS OF GREATER KANSAS CITY

Big Brothers Big Sisters matches at-risk children from one-parent homes in the Kansas City area with caring, adult mentors. The Big Brothers Big Sisters program believes that children who have a positive adult influence in their lives are better able to reach their full potential. These one-to-one, professionally-created and professionally-supported friendships last a minimum of one year, however, the effects of these friendships last a lifetime.

Big Brothers Big Sisters of Greater Kansas City (BBBSKC) serves more than 1,200 at-risk children in 10 counties around the metro every year. BBBSKC is one of the most successful of the national organization's 400 affiliates, receiving the network's highest honor, Agency of the Year in 2010 and 2012. Other accolades include Board of the Year, the Gold Standard Award and the Pinnacle Award. BBBSKC is the fastest-growing affiliate in the country—while not compromising on the quality of its services. BBBSKC operates on a \$2.1 million budget and 69% of those proceeds go directly toward the matching and supporting of Bigs and Littles. All proceeds raised in Kansas City stay in Kansas City to benefit the children of our community.
